

# Classical Guitar Lesson Materials

1. A nylon- string classical guitar (no warped neck, no cracks, no extreme buzzes, all strings)
2. Foot stool or guitar support
3. Non- slip shelf liner (it's a trick classical guitarists use to keep the guitar from sliding off the lap)
4. Guitar Methods:  
For Beginners: A Modern Approach to Classical Guitar (Duncan)  
For Intermediate/Advanced: Classical Guitar Technique Vol 1 and Vol 2 (Provost)
5. Two packs of nylon classical guitar strings (1 so I can teach you how to put on new strings and one in case a string breaks)
6. String Winder
8. Metronome or metronome app ( I use Pro Metronome by EUM Lab)
9. Music stand (for home)
10. Nail file: Steel, Glass, or diamond
11. Nail buffer or 3M 500 Grit Open Coat Sandpaper
- 12.. Fake Nails and Glue Dots if nails are no grown out
